

BHCIP Launch Ready and CCE Program Joint RFA Application

Applicants will need to complete a *separate application for each project planned*. You may close your online application and return to it later from the same computer; your entry will be saved. You may also move backward in the document and change your responses before submitting. No edits can be made after you have submitted the application.

Part One applications for BHCIP Launch Ready grants must be submitted no later than March 31, 2022, at 5:00 p.m. PT. All Part Two applications for BHCIP Launch Ready must be submitted no later than May 31, 2022, at 5:00 p.m. PT.

Applications for CCE Capital Expansion project funding will be accepted on a project-by-project basis through this joint RFA and funded on a rolling basis until funds are exhausted. However, projects that cannot be funded prior to applicable obligation and liquidation deadlines may not be funded. A portion of the CCE budget includes Home and Community-Based Services (HCBS) funding that must be obligated by December 2023 and liquidated by June 2026, as well as State Fiscal Recovery Funds (SFRF) that must be obligated by June 2024 and liquidated by December 2026. The exact timeline for obligation and liquidation of funds for each funded project will be provided in the grant award announcement.

Applications cannot be edited once submitted. It is the applicant's responsibility to ensure that the submitted application is accurate. Reviewers may request additional clarifying information from the applicant.

For questions regarding this application, budget, and its submission, please email bhcip.cce.info@ahpnet.com. If you are having any technical difficulties with your online application and require assistance, please contact webevents@ahpnet.com.

10. Identify each of the States Priorities your project is targeting (RFA Section 1.2), and describe how the project will meet these priorities.
$\hfill\square$ Invest in behavioral health and community care options that advance racial equity
\square Seek geographic equity of behavioral health and community care options
\square Address urgent gaps in the care continuum for people with behavioral health conditions, including seniors, adults with disabilities, and children and youth
\square Increase options across the life span that serve as an alternative to incarceration, hospitalization, homelessness, and institutionalization
\square Meet the needs of vulnerable populations with the greatest barriers to access, including people experiencing homelessness and justice involvement
$\hfill\square$ Ensure care can be provided in the least restrictive settings to support community integration, choice, and autonomy
\square Leverage county and Medi-Cal investments to support ongoing sustainability
\square Leverage the historic state investments in housing and homelessness
Please describe:
11. Describe how the proposed project will expand community capacity for serving the target populations and address urgent gaps in the care continuum. For BHCIP, this includes the behavioral health (mental health and substance use disorder) population. Under CCE, this includes seniors and adults with disabilities who require long-term care supports, giving priority to applicants and recipients of Supplemental Security Income/State Supplementary Payment (SSI/SSP) and/or Cash Assistance Program for Immigrants (CAPI) benefits who are at risk of or experiencing homelessness. Please include data that demonstrates the project's need. This may include, for example, a county needs assessment, a facility wait list, the number of comparable facilities in the area, or other quantifiable documentation. (Limit 500 words.)
12. (BHCIP only) Does the proposed project make a commitment to serve Medi-Cal beneficiaries?
□ Yes
□ No

13. (BHCIP only) Of the population that will be served by your project, what is the projected percentage of Medi-Cal beneficiaries?
14. (CCE only) Does the proposed project commit to serving applicants and recipients of SSI/SSP or CAPI benefits?
□ Yes
□ No
15. (CCE only) Of the population that will be served by your project, what is the projected percentage of SSI/SSP or CAPI applicants or recipients?
16. Which of the following best describes the project?
□ New construction
☐ Addition to an existing structure
☐ Renovation to expand capacity
☐ Adaptive re-use of an existing property (example: repurposing a grocery store)
17. Will the applicant need to purchase land for the proposed project?
□ Yes
□ No
18. Please check the box(es) that apply to the current application request and include the funding amount requested for each phase:

23. If the applicant is renovating a facility that is providing services to existing clients and the clients must be temporarily relocated during the renovation, does the applicant certify that they are adhering to all applicable relocation plan requirements and licensing and/or certification requirements?
□ Yes
□ No
☐ Does not apply
24. Describe the planned facility, including the types of services that will be offered. (Limit 500 words.)
25. Please identify the source(s) and amount of cash and/or in-kind contributions—such as land or existing structures—that fulfill the match requirement. Services are not allowed as match. (See RFA Section 3.3.)
SITE READINESS
26. Does the applicant have evidence of site control? Site control must include one of the following:
$\ \square$ Clear title with no encumbrances or limitations that would preclude the proposed use (fee title)
$\hfill \square$ An existing long-term lease with provisions to make improvements on the property
☐ A leasehold estate held by a tribal entity in federal tribal trust lands property, or a valid sublease thereof that has been or will be approved by the Bureau of Indian Affairs

$\ \square$ A fully executed option to purchase, sales contract, or other enforceable agreement to acquire the property
\Box A Letter of Intent (LOI) that outlines the terms of a sale or lease contract, providing that a fully executed option will be completed within 60 days

\square No (see question 27)
Please submit the supporting documents here.
27. If the applicant does <u>not</u> have evidence of site control, please describe the plan and timeline for obtaining site control, and provide supporting evidence and a memorandum of understanding (MOU) or partnership agreement between site owner/applicant. (Limit 500 words.)
28. Does the applicant have all needed local, regional, and state approvals, will-serve letters, and building permits?
□ Yes
□ No
29. List all approvals and permits that will be required to complete the project, and describe your strategy for obtaining them. (Limit 500 words.)

30. Does the applicant have documentation of all required behavioral health facilities and services certifications/licenses, including those required by the appropriate state department?
□ Yes
☐ No (see question 31)
31. If the project can't be licensed/certified by the state or at the local level until it is completed, please list the relevant licensing/certification timelines and requirements. (Limit 500 words.) Please note: As part of the technical assistance that will be made available, applicants will be guided through the licensure and certification process to prepare them for the possibility of being successfully licensed or certified.
32. Please provide a detailed narrative description of the proposed project's construction and design, including how the design will serve the target population(s). Please describe any preliminary site plans, design drawings, and/or construction plans for the proposed project. This may include cost estimates with valid budgetary numbers from an architect, engineer, or licensed general contractor. If no construction plan is yet in place, please submit a valid Rough Order of Magnitude (ROM) cost estimate from an architect, engineer, or licensed general contractor. Please include a description of site amenities (examples: community and common areas, laundry, gated access, security, recreational areas, pool, community garden, etc.) and sustainable and green building elements. Please describe any site mitigation requirements and complex or costly structural or site/topographical requirements. The narrative should also include an explanation of any required demolition and off-site improvements, as well as a detailed construction breakdown of these expenses. (Limit 1500 words.)

- 33. Please upload the following documents. If you do not have one or more of the requested documents available, please share your timeline for completing them in the box below.
