

Lead Agency Name	Award	Lead Agency Description	County
<b>Alameda County Behavioral Health</b>	<b>\$937,322</b>	Alameda County Behavioral Health will certify peers with crisis specialization, upgrade communications devices for an existing team, and increase outreach and data capacity for the crisis system.	<b>Alameda</b>
<b>Amador County Behavioral Health</b>	<b>\$500,000</b>	This project will expand available hours of the current Amador County Mobile Support Team and provide training (e.g., crisis intervention, peer specialist certification) to all team members.	<b>Amador</b>
<b>Berkeley Health Housing and Community Services Department, City of</b>	<b>\$1,000,000</b>	This project will provide three new medical transport vehicles and equipment, staffing enhancement to Specialized Care Unit (SCU) teams, and training opportunities for SCU teams and area first responders.	<b>Alameda</b>
<b>Butte County Department of Behavioral Health</b>	<b>\$5,000,000</b>	This grant will allow the Chico Police Department and Butte County Sheriff's Office South County and North County Co-Responder teams to provide response services 24/7 and will establish additional teams in Paradise and Oroville.	<b>Butte</b>
<b>Contra Costa, County of</b>	<b>\$2,992,667</b>	Contra Costa will expand regional mobile crisis services to be available to anyone, anywhere, at any time to ensure consistency with the community-designed A3 initiative.	<b>Contra Costa</b>
<b>Fresno County</b>	<b>\$753,437</b>	This funding will expand Fresno County's Crisis System of Care (FCCSC) to ensure follow-up for all crisis encounters with individuals 25 years of age and younger, as well as provide up-to-date training for the FCCSC in best practices for youth in crisis.	<b>Fresno</b>

<b>Glenn County</b>	<b>\$500,000</b>	Glenn County will purchase two vehicles to respond to crisis situations in the community 24/7. The vehicles will serve as mobile clinics, providing crisis assessment, de-escalation, and treatment services.	<b>Glenn</b>
<b>Hoop Valley Tribe</b>	<b>\$750,000</b>	Grant funds will be used to purchase a mobile medical unit that will provide crisis outreach and response. The funds will also create a new mobile crisis team for responding to crisis in collaboration with law enforcement and other first responders.	<b>Humboldt</b>
<b>Humboldt, County of - Behavioral Health Branch</b>	<b>\$985,063</b>	Humboldt County's CCMU will expand behavioral health support, prioritizing services to individuals 25 and younger. Staff will provide screening, assessment, crisis de-escalation and resolution, care coordination, discharge planning, child and family team meeting facilitation, and peer support.	<b>Humboldt</b>
<b>Imperial County</b>	<b>\$3,000,000</b>	The CCMU for Imperial County will provide services to the community including local hospitals, outpatient clinics, and colleges targeting all ages with emphasis on individuals ages 25 and younger, experiencing psychiatric or emotional distress.	<b>Imperial</b>
<b>Los Angeles County</b>	<b>\$51,805,000</b>	LA County is adding 50 new mobile crisis teams and enhancing 30 existing teams to provide a reliable and default alternative to 9-1-1 and law enforcement response for individuals experiencing behavioral health emergencies.	<b>Los Angeles</b>
<b>Madera County</b>	<b>\$3,000,000</b>	Madera County will add two new and enhance one existing mobile crisis team with a focus on reducing psychiatric hospitalizations, preventing involvement with criminal justice, and delivering quality services.	<b>Madera</b>

<b>Marin County</b>	<b>\$1,954,523</b>	Marin County CCMU funding will support infrastructure development in order to expand the Mobile Crisis Response Team to two teams. To that end, several one-time purchases, as well as ongoing infrastructure costs, are included.	<b>Marin</b>
<b>Mariposa County</b>	<b>\$500,000</b>	Mariposa County Behavioral Health's CCMU Team will respond to crisis incidents in the community, jail, schools, hospitals, and other areas where crisis services are needed.	<b>Mariposa</b>
<b>Mendocino County</b>	<b>\$3,742,392</b>	Mendocino County intends to expand current mobile crisis services, while developing additional crisis teams, to provide mental health crisis response through the rural and remote county.	<b>Mendocino</b>
<b>Merced County</b>	<b>\$1,000,000</b>	Merced County will address the demand for timely youth crisis and aftercare services. This funding will be applied to a mental health worker and two peer support specialists, the procurement and ongoing maintenance for three vehicles, and training and expansion of capacity and quality service.	<b>Merced</b>
<b>Mono County</b>	<b>\$690,000</b>	In partnership with law enforcement and emergency medical services, this project will initiate mobile crisis response in all the remote corners of frontier Mono County.	<b>Mono</b>
<b>Monterey Health Department Behavioral Health Bureau (MCBH), County of</b>	<b>\$999,117</b>	Monterey County will develop a centralized Mobile Crisis Call Center to triage calls and dispatch CCMU teams, expand Mobile Crisis Field Operation infrastructure through acquisition of vehicles and vital equipment, and provide training.	<b>Monterey</b>
<b>Napa County</b>	<b>\$500,000</b>	The new Napa County Mobile Response Team will provide mobile mental health crisis intervention and support to children and adults in the community.	<b>Napa</b>

<b>Nevada County</b>	<b>\$1,000,000</b>	The new Napa County Mobile Response Team will provide mobile mental health crisis intervention and support to children and adults in the community.	<b>Nevada</b>
<b>Placer County</b>	<b>\$4,000,000</b>	Placer will pilot an integrated mobile crisis system. By adding staff, increasing training, and focusing on coordination, it aims to be more-readily available in the southern, most populated, area of the county, and expand to mid-county areas that have also been hard-hit by the pandemic.	<b>Placer</b>
<b>Riverside, County of</b>	<b>\$7,000,000</b>	Riverside University Health System-Behavioral Health will expand mobile crisis service teams throughout Riverside County and increase access to on-going mental health and/or substance use disorder services.	<b>Riverside</b>
<b>Sacramento County</b>	<b>\$2,709,199</b>	Sacramento County will enhance the CCMU program, which currently relies on law enforcement and emergency departments to address the needs of individuals experiencing a mental health crisis, by adding 3 behavioral health teams who will be able to respond 24/7.	<b>Sacramento</b>
<b>San Bernardino County</b>	<b>\$7,703,122</b>	San Bernardino County will add 6 new teams and enhance 18 existing teams. Mobile crisis units strategically placed throughout the county will be dispatched by the Crisis Contact Center which will triage all behavioral health crisis calls from a central location.	<b>San Bernardino</b>
<b>San Diego, County of</b>	<b>\$18,000,000</b>	San Diego will add 18 new crisis response teams to have 24/7 coverage. Services will increase health equity impact, divert individuals from higher levels of care, increase safety, and reduce law enforcement interventions.	<b>San Diego</b>

<b>San Francisco County</b>	<b>\$1,977,500</b>	The program will expand the quality, scope, and impact of San Francisco Comprehensive Crisis Services, which provides mobile crisis response for all ages. A new mobile health clinic will be outfitted to allow psychiatric nurses to address minor medical issues during mobile crisis field visits.	<b>San Francisco</b>
<b>San Joaquin County Behavioral Health Services (BHS)</b>	<b>\$1,934,581</b>	This expansion will enable faster response from clinical teams to effectively deescalate and stabilize individuals on the verge of a psychiatric crisis and intercept them from an inappropriate arrest or hospital admission. Behavioral health systems and law enforcement will be able to support each other.	<b>San Joaquin</b>
<b>San Luis Obispo Behavioral Health Department</b>	<b>\$1,000,000</b>	San Luis Obispo County's CCMU project will expedite dispatch, expand coverage, and improve responses, thereby reducing the impact of crises among students and those in underserved rural areas.	<b>San Luis Obispo</b>
<b>Santa Barbara County Behavioral Wellness</b>	<b>\$1,000,000</b>	This program will expand Santa Barbara's program to serve youth and young adults to age 25 by increasing hours to nearly 24/7 and provide additional coverage in West County.	<b>Santa Barbara</b>
<b>Santa Clara County Behavioral Health Services Department (BHSD)</b>	<b>\$1,974,063</b>	This program will enhance our current 15 behavioral health mobile crisis teams by providing access to Peoplesoft software, a shared platform used by crisis dispatch and referral sources. Funding will also provide training and staffing to support the teams in the field.	<b>Santa Clara</b>
<b>Santa Cruz County</b>	<b>\$3,946,123</b>	This program will expand the continuum of crisis services for residents of Santa Cruz County, particularly those age 25 and younger. It will provide high quality, evidence-based practices through field-based mobile models.	<b>Santa Cruz</b>

<b>Shasta County</b>	<b>\$1,000,000</b>	Shasta County's CCMU program will enhance coordination of existing teams while adding a unit for expanding services. Work will deepen the scope and range of crisis and non-crisis mobile response for our communities.	<b>Shasta</b>
<b>Solano County</b>	<b>\$1,000,000</b>	The Solano County CCMU program will expand its existing mobile crisis program to a larger geographic area, increasing the number of service providers and infrastructure for long-term sustainability.	<b>Solano</b>
<b>Sonoma, County of</b>	<b>\$2,498,899</b>	Collaborating across Sonoma County will expand response to community members in crisis by providing quality, evidence-based practices through field-based models, with a focus on populations who are most vulnerable.	<b>Sonoma</b>
<b>Stanislaus County Behavioral Health &amp; Recovery Services (BHRS)</b>	<b>\$3,999,988</b>	This program will enhance the current M-CERT program with Modesto Police Department by providing two new CCMU teams to be embedded with patrol officers, and implement a new Stanislaus-CERT (S-CERT) program with the Stanislaus County Sheriff's Office by providing two new CCMU to be embedded with patrol deputies.	<b>Stanislaus</b>
<b>Trinity County Behavioral Health Services</b>	<b>\$496,174</b>	The new mobile unit will provide confidential crisis triage and telehealth linkages at schools, after-school events, and in the community, with staff connecting individuals to hospitals, outpatient, or follow-up care.	<b>Trinity</b>
<b>Tulare County Health and Human services Agency Behavioral Health Branch</b>	<b>\$4,000,000</b>	Funding will be used to implement supervisory and clinical support for mobile crisis units, annual and specialized intervention and suicide prevention training for clinical staff engaged in crisis response, mobile crisis team telehealth and other equipment needs. Outreach and engagement will also be conducted with agency partners and stakeholders.	<b>Tulare</b>

<p><b>Tuolumne County</b></p>	<p><b>\$664,948</b></p>	<p>This grant will allow Tuolumne County to expand the current Crisis Assessment and Intervention Program (CAIP) workforce by 3 FTE comprised of Relief Peer Specialists and Behavioral Health Workers who would provide both dispatch support and mobile crisis response. Supervision, program oversight and grant monitoring will be accomplished within the existing organizational structure. Crisis mobile response team will be outfitted with the necessary technologies in order to provide crisis services to connect with additional resources and to provide access to the departments electronic health record system.</p>	<p><b>Tuolumne</b></p>
<p><b>Ventura County Behavioral Health</b></p>	<p><b>\$633,390</b></p>	<p>Ventura County Behavioral Health’s Transitional Age Youth Rapid Response Team is composed of a behavioral health clinician, community service coordinator, and peer specialist, who will provide clinical crisis intervention services for transitional age youth.</p>	<p><b>Ventura</b></p>
<p><b>Yolo County Health and Human Services Agency</b></p>	<p><b>\$1,856,000</b></p>	<p>Funding would support some staffing through February 14, 2023 and cover the expenses of vehicle purchase and modification. We are also SB82 recipients for youth services and intend to combine funding sources to meet the growing need in our community. The grant would also allow Yolo County to purchase mobile device management software which would allow for proper security controls for crisis workers to access client data securely from their mobile devices. A telehealth contract is also required to provide access to charting and patient history as needed. The County’s EHR will also require a system update.</p>	<p><b>Yolo</b></p>
